Old Glory

I am the Star Spangled Banner ...
conceived in 1777 out of the love
America bore for Liberty and Honor.

I am the memorial of countless heroes who
shed their blood to preserve this
sacred heritage.

I have inspired generations of gallant men
who fought against tyranny.

I am the spirit of Valley Forge ...
of sacrifice ... of courage.

I have guarded every rampart where freedom
defended its glorious cause ...

Tripoli ... Belleau Wood ... Argonne Forest
... Omaha Beach ... Anzio ... Bastogne
... Guadalcanal ... Coral Sea ...
Leyte Gulf ... Iwo Jima ... Korea ...
Viet Nam

I fly wherever Americans gave their lives to
preserve the sanctity of life.

My home is in the hearts of all who feel a
thrill of pride when they salute me
and what I symbolize—

God, Country, Freedom, Valor
